

#27 CURA LEADERS LIFE PHILOSOPHIES

Everybody deserves a second chance.

Learn to love life.

Responsibility is never a bad word.

Take ownership, what you own you can change.

Family relationships are worth the hard work it takes sometimes.

Attack therapy works.

Look at your character defects.

Don't do things to please others, just please yourself.

Not to run away from my problems,,, you just get good at running!

Nobody can tell me who or what I want and when; just myself.

Value life.

You need to work hard to get what you want..

Follow your dream and believe in yourself.

Live life without people saying you can't.

Get help when you need it.

Take responsibility.

Stay a drug-free believer.

Be passionate in whatever you do.

Self confidence is important in getting what you want.

Value friendships.

Take care of your teeth.

Find something you like to do and do it.

Your job is a big part of your life.

CURA is a great program.

You can change the way you look at everything if you want to.

Life has a lot to offer if you just look for it.

You can get over everything.

Live life to the fullest and appreciate everything.

Follow your dreams.

It is nice to settle down and achieve peace of mind.

You need to take ownership to gain responsibility.

Look inside yourself to see your full potential.

Value your freedom because it's easy to get it taken away.

Be responsible for your actions.

Be grateful for your time on earth.

Love yourself so you can love others.

Never steal.

Believe in yourself.

No one can tell us the answer, we have to find it by ourselves.

Trust yourself.

Be an example.

Always listen to people who care.

Stay focused no matter what.

Life isn't easy, don't be fake.

Be independent.

You can always get better when you're stuck in a bad situation.

To feel better about yourself, do something for someone else.

Don't fight over dumb things.

Be fit for life.

Follow your heart.

You can't change others but you can change yourself.

Quick money is risky.

Be generous, think of others.

Care about more than the obvious.

You can only learn about you from you.

Life is what you make of it.

Make good choices.

Pay your bills.

Find a support system.

If you knew better you'd do better.

Stop putting on a mask, find out who you really are inside.

Live life passionately.

You are the person that makes you the person you are.

Listen to your inner voice.

Problems are inside.

Be in touch with your higher power.

Enjoy the simple things in life (like an ice cream cone).
Learn to grow from life experiences instead of letting them bring you down.
Hiding feelings only worsen them.
You can't help anyone else until you help yourself.
